

The Border Vidette.

JULY 27, 1912.

State Mine Inspector Busy.

Mine inspector Bolin is now engaged in the task of systematizing changes according to law in various Arizona mines which, in many cases, will be very expensive for many Arizona mines according to estimates by Tomb stone mining men.

Every mine employing 50 men or more must be inspected every three months and mines employing less than six men at least once a year.

The trolley wires in drifts must be six feet from the floor of the drift and rails. This will necessitate considerable expense to the Bisbee mines, in many cases necessitating timbering to comply with the law. Where ten or more miners are employed a stretcher or blankets shall be kept near shaft.

When more than 100 are employed a medicine chest and first aid remedies must be provided; where 300 or more are employed a first aid corps shall be organized and kept on duty. Use of explosives over one year old is prohibited.

Fire protection is carefully prescribed.

Where the shaft is 100 feet deep with 200 feet or more of drifting an extra exit or escape must be provided.

Hoists and gallows frames, cages, etc., must be kept at standard and numerous provisions for safety of underground miners will necessitate much new equipment and apparatus in Arizona mines.—Prospector.

FOR SALE—Two first-class work horses. Price right. Address T. J. Wylie, Nogales, Arizona.

We want you to buy a pair of these Diamond Edge shears or scissors, and in using them remember where you got them and that they are the Diamond Edge. After using them you will look for Diamond Edge whenever you buy any kind of an edged tool, for

"Cardui Cured Me"

For nearly ten years, at different times, Mrs. Mary Jinks of Treadway, Tenn., suffered with womanly troubles. She says: "At last, I took down and thought I would die. I could not sleep. I couldn't eat. I had pains all over. The doctors gave me up. I read that Cardui had helped so many, and I began to take it, and it cured me. Cardui saved my life! Now, I can do anything."

If you are weak, tired, worn-out, or suffer from any of the pains peculiar to weak women, such as headache, backache, dragging-down feelings, pains in arm, side, hip or limbs, and other symptoms of womanly trouble, you should try Cardui, the woman's tonic. Prepared from perfectly harmless, vegetable ingredients, Cardui is the best remedy for you to use, as it can do you nothing but good. It contains no dangerous drugs. It has no bad after-effects. Ask your druggist. He sells and recommends Cardui.
